St. Iakovos (James)  
October 23

Apolytikion of James (Iakovos),  
the Brother of the Lord  
As the Lord's disciple, O righteous One, you received the Gospel, as Martyr, you have unwavering courage, as the Lord's brother, you have forthrightness, as Hierarch, intercession. Intercede with Christ our God, that our souls may be saved.

Kontakion of James (Iakovos),  
the Brother of the Lord  
O wondrous Iakovos, God the Logos, only-begotten of the Father, who dwelt among us in latter days, declared you, the first shepherd and teacher of Jerusalem, and faithful steward of the spiritual mysteries. Wherefore, we all honor you, O Apostle.

Altar Boy Ministry

Why should a boy participate as an Altar Boy in the Orthodox Church?

- An Altar Boy is dedicated as a server to the Priest in the Sanctuary. You serve the Priest as the angels serve God.
- You are as close to the holiest places and to the most sacred actions as any man can be.
- As an Altar Boy you are enriching your own spiritual life and nourishing love for Christ and His Holy Church.
- You are continuing a tradition of the early Altar boys who dedicated themselves as servers to the Priest and sacred work in the Sanctuary.

All boys ages 8-18 years of age are encouraged to become an Altar Boy and serve the Lord like the angels that are above.

In Christ,
Nicholas Kretsedemas
Contact information: dkretsedemas@cox.net / 480-213-2061

Note: Currently, only boys 18 years of age are allowed to serve. Let us all remain in prayer that restrictions implemented due to COVID will soon be lifted.

Information on ordering koliva for memorials:

The ladies of St. Irene Philoptochos provide the service of preparing koliva for the Memorial Services of our parishioner’s loved ones. Parishioners may request koliva by calling the church office. Due to the new guidelines, our presentation of the koliva has changed. Individual, sealed packages of koliva will be presented on a tray or in a basket for the service. Once Church Services have ended, the koliva will be moved to the table next to the north-side door for parishioners to pick up a packet as they exit the church.
Beloved Parishioners of St. Katherines,

It is such a joy to be with you all and I am looking forward to getting to know all of you and to walk alongside you on the path that our Lord Jesus Christ has set before us. Over the past 25 years, I have served in four parishes, in addition to simultaneously serving three mission churches. These parishes varied in size, from 800 families to 10 families, each providing me with new experiences and new challenges. I have learned a lot over the years being taught much about myself as a person and a priest through working with such diverse communities. One of the many things I have learned is that I will never stop growing, learning, and changing. Life is never static; life is an ongoing process of learning and growth.

As your newly assigned shepherd, my desire is to learn from you and grow with you. My goal is to work with you in creating a culture at St. Katherine’s that establishes, promotes, and nurtures an atmosphere of a healthy parish. Parish health is the goal of all clergy, with each priest building upon the work of his predecessor. There are four key components to a Healthy Parish that act as reminders of who we are and what we are about as a parish. These four components are: Spiritual, The Gospel & Life, Relationships & Community, and Organizational Excellence.

First and foremost a healthy parish focuses on the **Spiritual** growth of the people, continually striving to meet the spiritual needs of the faithful. We have been given everything for our life and our salvation. God has provided us with all the means necessary to heal from our spiritual infirmities, and to grow and become like Him. Spiritual growth has as its goal to be Christ-like, for He says, “be holy, for I am holy” (I Peter 1:16).

Second is **Gospel & Life**. The Holy Gospel is the word of God and has been given to us in order to instruct us. Therefore, we are to read, study, learn and integrate the teachings of our Lord in our lives. If we don’t read and study it, how can we receive His instruction? If we don't receive His instruction, how will our lives be transformed? The Holy Gospel has the power to change us; how we think, how we speak, and how we behave. In essence, it has the power to help us to become true persons. On the parish level, Gospel & Life looks at how well we as a community are doing and examines how well the gospel is being lived by the people of the parish, are we doing what Jesus has invited us to do, and becoming who Jesus invites us to become?

The third component of parish health is **Relationships & Community**. A parish that is healthy continually works on developing bonds and fellowship, as well as interconnected social interactions of the families. We call this social connectivity and its importance cannot be over-stated. We are relational beings created in the image of a relational God and therefore our life and our salvation are grounded in our relationship with God and with others. As human beings we have an innate need to be connected with God and others. Many people suffer because they do not feel seen or noticed or cared about, they suffer from a disease known as isolation. People have the need to be a part of something, to contribute the gifts and talents that God has given them. The church is a place not only where people can come to worship God and grow spiritually, it is also a place where they can have deep connections and a sense of purpose in life.

The fourth and final component of parish health is **Organizational Excellence**, which relates to organizational and administrative structure, the day-to-day management, and operational fundamentals. Those in the parish, from organizations to ministry leaders, must communicate effectively, operate with integrity, believe in and practice transparency, have great administrative order, work collaboratively, and show fiscal discipline. A healthy parish develops good practices and those in leadership positions are always examining themselves as to how they can improve and are open to new ideas.

While these are the four components of a healthy parish, there are also barriers, which I will not list right now. Suffice to say, it’s important to be aware of what these are so they can be identified and addressed. The church has a mission, and it’s our responsibility to know that mission and support it. Life is very short, and we have a treasure that we are not to bury but to cultivate (Cf. Matthew 25:14-30). The treasure is two very precious gifts from God, the Church and our life. What will we do with these two gifts? A healthy parish, that is, those who make up the parish, have all the potential to serve and be served, to love and be loved, to know and to be known. This is our work, and this is our privilege! The impact of this holy work will affect the lives of many, including our own.

I look forward to our journey together at St. Katherine’s, for however much time our Lord gives us. May we use our time wisely, creatively, constructively, and lovingly as we work together to create a transcendent culture that will facilitate cooperation, collaboration, and love for our Lord and for one another.

Warmly,
Fr. Timothy
Dear Friends and Parishioners,

Under ordinary circumstances, we would be preparing to welcome our families, friends, and guests to our annual “A Taste of Greece” Fall Festival on October 2, 3, & 4, 2020. But these are extraordinary times and we’re faced with exploring alternative and creative ways to showcase St. Katherine’s spirit of hospitality and culture as we have so many times before. Our recent carry out “Gyro Day” on August 29, 2020 was successful. The strong relationships we’ve formed over the years with neighbors, friends, and community coupled with the true grit of our awesome and tireless volunteers made an impact to that success.

St. Katherine’s carry out, “A Taste of Greece” Fall Festival will be held on October 24-25, 2020. Our online store will feature guest favorites: pastitsio, moussaka, spanakopita and traditional pastries. Of course, beef and/or chicken gyros, Greek fries, and baklava cheesecake are available to complement any college or NFL football game. OPA! Additional details to follow.

Unfortunately, we are restricted to the number of volunteers due to the coronavirus and subsequent CDC, Dept. of Environmental Services, and the Metropolis Guidelines and thank you for the outpouring of support and understanding. It was encouraging, though, to see our young adults and new faces pitch in on behalf of St. Katherine. Keep it going!

No doubt, the loss of revenue generated from the festival is significant and, on behalf of the Parish Council, I appeal to your generosity. Please take a moment to figure out what you and your family normally spend during the festival weekend (Opa! bucks, food, beverages, raffle, vendor products, personal contributions) and consider making that extra, tax-deductible donation to St. Katherine.

Together we will plan our fundraising events, collectively share our ideas, and unite as a group to make our efforts successful. Of course, remember to check out our online store, share our event with family and friends, and continue your commitment, dedication, and support to St. Katherine. Many thanks to all of you.

Yours in Christ,

Evangelia Archuleta, President
St. Katherine GOC

Did you know...

Your gifts help bridge the tuition gap – the actual cost of a Christian higher education and a student's ability to pay.

These gifts are an investment in future clergy and lay leaders.

Thanks to your generosity, HCHC is able to offer partial scholarships to our undergraduate students, graduate students, and seminarians.

Your gifts make a direct and positive impact on all our students.

Philoptochos and HCHC – a Special Relationship

Both the National Philoptochos Society and HCHC owe their founding in the 1930s to the same visionary founder, His All-Holiness Patriarch Athenagoras, and have enjoyed a special relationship ever since through the organization's unfailing support for our school. Philoptochos now has more than 26,000 members in 440 chapters, each of which raises funds for HCHC through special appeals twice a year. To date, Philoptochos has given over $3.7 million to our school for everything from scholarships to technological improvements to the refurbishment of the dormitory, classrooms, and cafeteria. We thank every one of these generous and hardworking women for helping us fulfill our sacred mission.

The Philoptochos Society has stayed true – for all these years – to Archbishop Athenagoras' exhortation to "prove once again your strong faith." We couldn't do it without them!

The St. Irene Prayer Group is a group of St. Katherine’s parishioners committed to pray for the needs of anyone who asks us. It was started as a group of St. Irene Philoptochos but is not limited to our members. We do not meet together to pray – we each pray individually. We are notified by email and each member is committed that when we receive an email we will go as soon as is possible in our own homes, before our own icons and light a lamp or candle if we have such, and pray for the need. The emails are only sent when we receive a request for our prayers, so even though there are many needs inside and outside our parish that we are all probably individually praying about, the emails are only sent when a specific request has been received from an individual or their family. These requests are not only for health concerns but for all sorts of challenges and difficulties that arise. The Prayer Group is also committed to keeping all prayer requests and concerns confidential unless we have permission from the person for whom we are praying to share it with others.

If you would like us to pray for a specific need or if you would like to join our prayer group, you can reach us through email at: saint.irene.philoctochos@gmail.com or you can call the church office at 480-899-3330 and speak to Marjie who will relay the message to us.
Aegina #340 had their first Zoom meeting in September! It was so nice to see everyone even if it was virtually! We thought it would be fun to sign on wearing a face mask and try to guess who was who!
We also “visited” Santorini!

District Governor Adrienne Bell joined us for the installation of our new officers. We will have achievement pin presentations when we can meet in person.
We are planning some fun social activities and fundraisers when we are able to get together again as well.

Our Chapter would like to invite the Maids of Athena members who are 18 years old & up that are without a viable Maids Chapter to join us! See contact information below.

We are looking forward to seeing all of you soon and praying you are safe and well. Our October meeting may be a socially-distanced, in person meeting. If we are unable to meet in person, we will Zoom again!

If interested in joining, contact Theresa Fardelos (602)290-6158 or Carol Stathopoulos (480) 988-3277.

What is the Agape Family Group? It is a branch of our St. Irene Philoptochos that focuses on bringing our family community together for fellowship and philanthropy events. These events are typically designed for our children to participate.

Do I need to be a member of the St. Irene Philoptochos? Nope! Although, we encourage all the women in our parish to join our group, we enjoy giving back to our community together.

What if I want to be part of the St. Irene Philoptochos, but I just can’t commit? As a women’s group we know running a family requires a lot of time. That’s why we accept whatever you’re able to give. No matter how much time that is, we welcome you to be a member! All members have a voice and collectively we come up with new strategies to be the most effective in what we do. Also, we have designed Zoom meeting access for those who are unable to meeting in person.

How often does Agape meet? Our goal is to organize monthly events from Sept - May, typically on Saturdays and considering weather and holidays.

Where can I get updates? You can reach out to Nicolette Wright directly at nicolette.wright79@gmail.com and/or REGISTER HERE FOR AGAPE NEWS AND UPDATES!
