

Dear Parishioners,

I am saddened and apologetic that you have to be inconvenienced during the acute phase of the Coronavirus. Please bear with your priest and Parish Council. We do want to afford you access to the Sacraments. Holy Communion will be made available to parishioners on the following days and times:

**Wednesday, March 25<sup>th</sup> Annunciation – 10:30 am – 11:15 am**

**Sunday, March 29<sup>th</sup>, Fourth Sunday of Lent – 11:15 am – 12:00 pm**

The Wednesday, Friday and Sunday services will be live-streamed. They can be viewed on the parish's Facebook. When you have accessed the Facebook page, click on "video" and then select the service.

You will be updated via email each week to apprise you of the Holy Communion schedule. I'm sorry that the services of the parish are not open to our parishioners.

Our Metropolitan will re-evaluate what we will be permitted to do at the end of March.

May God watch over us during these trying times. May the Great Physician Jesus Christ keep you and your families in good health. Please pray for our Church, nation and world. Also, do not forget to continue your care for St. Katherine through your stewardship giving.

Love in Christ,

+ Fr. Phil Armstrong
